PRE-ARRIVAL INFORMATION SUMMER FIELDS SCHOOL

COVID-19 PRECAUTIONS:

In line with government guidelines for childcare providers, Active Adventure have adopted the following additional precautions to ensure your child's safety:

- Increased hand washing facilities
- Additional hand sanitation
- Mandatory staff lateral flow testing
- Mandatory staff Covid-19 training
- Daily scheduled cleaning of shared facilities (equipment, and bathrooms)
- Encouraging socially distanced activities, in outdoor settings
- Ability to check individuals temperature
- PPE provided to staff if in close proximity to children
- Register of all attendees
- 'Bubbled' daily groups

ADMINISTRATION OF

MEDICATION:

If your child has their own personal medication and required a staff member to administer it, please could you print the attached form and hand it in at sign in:

[Medication Form](#)

MEDICAL DISCLOSURE:

Please insure you fill out the medical conditions section of your booking carefully, this allows our staff to better look after your child. If you think you have missed anything then simply tell a staff member at sign in and they can add it to their information.

WHAT GROUP WILL MY CHILD BE IN?

Due to our Covid-19 policy we will be grouping 'bubbles' on a daily basis. This being the case if your child has any specific groups of individuals they would like to spend the day with please mention this at the start of the day at sign in and staff will endeavour to arrange the groups accordingly. While we attempt to split groups by age, so we can better cater activities to each group, there is some flexibility to allow family members or friend groups to remain together where feasible.
